

## SEASON END

Photo credit: Tuan Mustaqim Rosdan, Sea Turtle Research Unit (SEATRU), Universiti Malaysia Terengganu, Kuala Terengganu, Malaysia

Members of the UMT-MMS Sea Turtle Conservation Programme, including rangers, research assistants, students, interns, and volunteers, during the closing of the 2023 nesting season. All contributed to SEATRU student research projects showcased in this issue of IOTN, and monitoring at Chagar Hutang Turtle Sanctuary on Redang Island, Malaysia.
